10:00 am to Noon

Education Credits: 2.0

Patterson Farms, 8765 Mulberry Rd

Chesterland. There is a sign in front of the
property that says "Patterson Farms" - you
will turn RIGHT into the driveway and stop
at the green barn for parking directions.

Guests are welcome for this program.

Jim and Dave Patterson will tell us about their operation: how the seasons of the year affect their business; how different years bring different conditions to deal with; how their location (northeastern Ohio climate conditions and close proximity to our customers) affects what they do and what they grow; the changes they have seen over the years; how they see the future. Bring your questions!

Registrations must be received by Monday, May 14. Fee is \$7.50. Sorry, Bonus Bucks will not be accepted for this program.
