

Diagnostic Workshop for Master Gardener Volunteers

What: Update and hone your diagnostic skills while hanging out with other MGVs who love to learn! The class includes individual presentations in the morning focused on training participants to become First Detectors*. In the afternoon, test your skills with hands-on samples that provide an opportunity for learning more about specific insect and disease problems. Each county in attendance will receive a copy of **Mushrooms and Macrofungi of Ohio and the Midwestern States** for its county office.

Instructors include: Amy Stone, Kathy Smith, Curtis Young, and Jaqueline Kowalski

When: August 22, 2013 **Time:** Registration 8:30 a.m.; program 9:00 a.m. - 4:00 p.m.

Where: Cuyahoga County, Ben Franklin Demonstration Gardens 1905 Spring Rd. Cleveland, OH 44109
(park in front of school and walk to the back)

Topics include: First Detector Training, Thousand Cankers of Walnuts Update, and Hand-On Samples.

Cost: \$25.00 includes lunch, snacks, and any handouts

*A national network of "eyes on the ground" volunteers and professionals trained to spot and report potential pest problems.

Space is limited so register now!

6 Continuing Education Credit hours are available to MGVs.
