-

Specific details and a registration form will be sent prior to each program. The fee is \$7.00 per session unless stated otherwise (There will be no fee for the October session, although registration is required).

Reminder:

Ten advanced training credits are required per year. If you are unable to attend enough of the programs listed here, there are other options, including the annual Fall Seminar and educational presentations given at the plant exchanges and recognition dinner. Preparing written reports on horticultural books and topics is an additional option.

COMMITTEE:

Linda Vinney '03, Chairperson  
Terry Foster '03  
Betty Killeen '96  
Karen Cada '06
