**Update from Ellen Comeau,  
Advisory Council Chair**

Hello MGV's,

Welcome to Fall!

I know we need the rain but there's

nothing for me like a sunny crisp day when leaves are turning, and the sky is a cloudless bright blue.

Yes, Fall is my favorite season.

Basic Training will be coming to a close on the 9th of November. That's when the trainees will get their final exam. Remember stressing? We wish them all the best of luck. It's a good class.

And with the end in sight, we are looking for Mentors to help them navigate and become familiar with our program. PLEASE read the ad for Mentors in the "Help Wanted" section created by Sue Pandoli. She's coordinating the effort. The BT committee will be making calls as well to recruit. This is an important task, so please volunteer!

Also, by now I hope you all are familiarizing yourselves with our wonderful new website. The Tech Team is always looking for content for the website so if you see something worthwhile to attend, let them know. If your committee is doing something, let them know. Please submit your information to [admin@cuyahogamg.org](mailto:admin@cuyahogamg.org), and they will get it up on the website.

Just like you check your phone or your emails every day or every other minute, please start checking the website! We will be posting notices, as well as timely information more and more on the website. We're trying to get you into the habit of going to the website for MGCC information.

Lastly, the Advisory Council will be losing a member this year and will need a replacement. If you or anyone you know would like to serve, it's a 3-year term. And things have changed a bit over the last few years besides the name - it's not your grandma's committee anymore!

Please submit your resume to me or Tammy by the end of November. Again, you can nominate yourself or someone you know, so long as you have their permission.

Oops, one more item:

I hope you all are enjoying the gardening articles written by your fellow MGV's in the Cleveland Plain Dealer these past weeks. I'm always looking for submissions! They should be between 600 - 800 words. That's like one of my sentences. Please consider contributing. You do get your name in the paper!

**As always, thanks so much for volunteering & making this a great organization!**

*Ellen*  
AC Chair

## **Update from Dave Appel, MGCC Fundraising Chair**

Dear MGVs,

Thank you for all you do for Master Gardeners of Cuyahoga County! With your dedication, we have educated and supported countless individuals in their pursuit of fact-based gardening knowledge. Like you, I am inspired by their interest in learning while I also deeply appreciate my own opportunities to learn and expand my skills.

I am writing today to ask you to join me in helping MGCC continue to fulfill its mission. Our annual fundraiser – Plants in the Park – helps us cover our operating expenses, but your special gift could also support our work with children, seniors, community gardens, and other important programs.

This year, we have set our fundraising campaign goal at \$2,500 to offset the development and operational costs of our new and vastly improved MGCC website. It has already provided us with enhanced online functionality and with an expanded ability to promote our programs and organization both to our fellow Master Gardeners and to our community. If you have not already done so, I'd encourage you to check it out at [HERE!](#)

Please consider a year-end gift to support our web platform and/or your favorite Master Gardener program. We are kindly asking each of our Master Gardeners to make a minimum contribution of \$10 to cover the annual fee we pay to The Ohio State University for the cost of the liability insurance they provide for the work we do as Master Gardeners. For your convenience, please find Treasurer, Cheryl Dever's address below:

Cheryl Dever  
Treasurer, MGCC  
25025 Tricia Avenue  
Westlake, Ohio 44145

Thank you again for being a part of Master Gardeners and for your ongoing support of our organization!

**Sincerely,**

**Update from Tammy L. Currier,  
MGCC Volunteer Coordinator**

Dear MGV's,

Just a reminder there are still opportunities to earn CEs, including an impromptu upcoming CE opportunity about Daikon radishes at the MGV veggie demo gardens at Ben Franklin School.

There are also options for CEs from OSU and the EPA, as well as links to the 2024 MGV Virtual State Conference and the 2024 Beekeepers Conference.

For those of you who requested garden and book report forms, I apologize for the delay - they are on the way. The book report was MIA, but I found a previously submitted report I will use as the template to recreate the form. I am hoping to get them out 10/17 at the latest. I know time is of the essence.

Wishing you all the best as you get your hours in!

**Thanks for all you do!**

*Tammy*

**Just as a reminder:**

If you need any assistance with entering your hours, please reach out - we can meet in the office or over Zoom. And, remember, you must have any project you volunteer for pinned to your homepage before you can enter hours. Again, reach out if you don't remember what I'm referring to.

**MGV HOUR DEADLINE: 10/31/2024**

**25 Volunteer Hours / 10 Continuing Education Hours**

- **Would you like to mentor one of our new interns? We're excited to announce we have 30 interns who each need a mentor. A mentor will share their knowledge and experience and guide the intern in choosing volunteer opportunities. Introducing the intern to other MGCVs and helping them feel a part of the organization makes each intern feel welcome and fosters them in becoming active and contributing MGCVs. Mentoring does not have to be extremely time-consuming. Mentors and interns establish a relationship that works for them. Some interns appreciate a lot of support; others are more independent and just want the occasional check-in or question answered.**

**First time mentors are encouraged, and this is a good way to begin**

earning hours for 2025.

To volunteer or for questions, please email: Ellen - [wallpaperhanger@att.net](mailto:wallpaperhanger@att.net), Kim - [hawkinsek@gmail.com](mailto:hawkinsek@gmail.com), or Susan - [susanpandoli@yahoo.com](mailto:susanpandoli@yahoo.com).

- **Volunteer for 2025 Annual Meeting - The 2025 Annual Meeting is set for Saturday, March 8, 2025. The Independence Civic Center has been reserved. A committee of 3-4 Master Gardeners is needed to produce the event. All planning information from the last meeting is available, and the previous committee members will be your resource people. This is a great opportunity to be involved and earn 2025 hours and your efforts will be much appreciated by the organization.**

Contact Susan Pandoli with questions or offers to serve on the committee - 440-666-4549 / [susanpandoli@yahoo.com](mailto:susanpandoli@yahoo.com).

**More MGV Articles from the Cleveland PD!**

**MGVs have been quite busy contributing to the Cleveland Plain**

Dealer's garden column. Read Lois Rose's most recent contribution on pruning [HERE!](#)

A new article comes out each Tuesday. Please enjoy two additional articles published within the past few weeks.

- [How to Garden Past the First Frost](#)
- [What to Plant in Container Gardens During Fall in Northeast Ohio](#)

If you missed the memo, MGVs were asked by Cleveland Plain Dealer Content Director Laura Johnston to fill in for Gardening Columnist Susan Brownstein while she is on hiatus. MGVs will contribute one article per week for print and online distribution.

Stay tuned for more!

## **CE Opportunity Announced: All About the Daikon at Ben Franklin School - 10/31/2024**

Join the MGVs of the Benjamin Franklin Vegetable Demonstration Garden to learn all about fall and winter gardening, with a focus on the humble, yet delicious daikon radish. They will discuss different varieties to grow, when to plant, growing requirements, and offer three ways to cook and prepare daikon while including other fall crops from the garden.

The cooking demonstration will include the following (all preparations are gluten-free and dairy free):

- Quick Korean Red Daikon Sweet Pickle (Danmuji)
- Stir-fried Carrot Daikon Lettuce Wraps with Maple Gochujang Sauce
- Black Bean Tacos with Air-Fried Green Tomato and Daikon Avocado Relish

The demonstration will begin in the Vegetable Demonstration Garden, weather permitting. Please dress for the weather, as we may be outside for 20 minutes to see the winter crops in the garden. If weather is inclement (i.e. extreme cold or rain), we will meet in the Ben Franklin schoolhouse. MGVs will be on site to direct you to the location, depending on weather.

Please park in the school parking lot and walk back past the left side of the school as you enter the lot. An MGV will meet you there and direct you. Please bring your own water bottle.

**When:** October 31, 2024 - 12:00 PM - 2:00 PM

**Where:** The Schoolhouse at Benjamin Franklin Elementary School / 1905 Spring Road / Cleveland, OH 44109

**Fee:** \$8.00

**Maximum registration:** 20

**Help Honor "The Legacy of  
Hope" & Celebrate Former  
First Lady Hope Taft's 80th  
Birthday**

**Greetings Ohio State University Extension MGVs,**

**First, Jen Andon (Program Manager) and I thank you for all you do for the OSUE MGV program. Without you, our horticulture outreach would be minimal. Thank you for all you do.**

**Second, we ask you to consider honoring former First Lady Hope Taft on her upcoming 8th birthday. Over the years, many of you have worked with former First Lady Hope Taft in our Extension programs. She was given the Honorary MGV status in 2007 and proudly wears the moniker (and hat!). She has spoken to many of our MGV County organizations and county residents, she has worked with many of our MGVs in the Ohio Governor's Residence and Heritage Garden, many of you served as Ambassadors to the Heritage Garden, and she was the impetus for the MGVs outreach trip to Ecuador that started in 2012 and has continued since (except for two years during COVID).**

**Hope is turning 80 this year and has decided to retire from her many volunteer activities, including the Heritage Garden. She will be spending time with her husband, former Governor Bob Taft, and her daughter Anna and her husband John. She is looking forward to this next chapter in life. She has been a champion for all things native plants, ecosystems, and the outdoors. She is truly an amazing woman.**

**We would like to honor her on behalf of the OSUE MGVs of Ohio. We will be presenting a check in her honor to the Tandana Foundation (Anna's organization that leads the trips to Ecuador and formerly to Mali) on November 8<sup>th</sup> during The Legacy of Hope celebration. As always, funds raised from this event go to the Tandana Foundation; Hope rarely does anything for herself!**

**There is a specific donation link that goes to the Tandana Foundation directly so OSUE, Jen, or I won't have to manage funds and transfers, etc.! Thank goodness. This will be a surprise for Hope. I HOPE that you all can join in on this celebration and the legacy Hope has developed in Ohio. Here is the LINK to donate.**

**Please donate before November 5<sup>th</sup> so that we have an accurate dollar amount for the giant check we HOPE to present to her that evening.**

**In addition, you are also invited to the event on November 8<sup>th</sup> at The Boat House in Confluence Park in Columbus. Anna is throwing a big party/fundraiser for the Tandana Foundation and the registration includes dinner, a program, and Ecuadorian and**

Mali dancing! Those who have been to Ecuador on the MGV international outreach trip know how to dance in Ecuadorian style! If you are interested in learning more and registering, follow this [LINK](#).

If you'd like to learn more about the Tandana Foundation and their work in Ecuador and Mali, Africa, follow this [LINK](#).

Again, thanks for all you do for OSUE and your communities. You are incredible volunteers who give so much. Thanks also for considering a donation.

Jen Andon, OSUE MGV Program Manager

**MGV Coordinator "Important Info" Archive:** *Please use this ongoing archive to access important and helpful information shared by myself to assist you in being an effective MGV.*

Need help finding MGCC Projects or Roster? Follow these steps:

- Log into this [LINK](#)
- Scroll down to **MY COUNTIES**
- Click on the grey box titled: **SEARCH PROJECTS** to locate full list of current MGCC projects. Click on the title of the project to access description.
- Click on the grey box titled: **ROSTER** (located to the right of the **SEARCH PROJECTS** box) to locate the names, status, phone, and email addresses of your fellow MGVs.

**HANDS ON CONNECT TIPS:**

- Accessing Hands on Connect: - **BOOKMARK** the following link: <https://mgvolunteers.osu.edu/> - doing so will provide easy access to the site and you won't have to reach out to me. : )
- **REMEMBER** to log-in - the log-in button is in the upper right corner - otherwise, the information you see does not directly pertain to you.
- The Roster is located under the heading - **MY COUNTIES**. The Roster is in the third grey box to the right.
- If/when you are interested in a project you **need to reach out directly** to the chair in charge of that project to sign up. For instance, if you wanted to work with the Community Garden Mentors, you would reach out to Emily Roll. Contact information for every Master Gardener Volunteer is located under the **ROSTER** in Hands on Connect.
- **Do NOT** use the Hands on Connect sign-up feature – it is more a function of the system than a sign-up tool. Expressing interest basically pins the project to your page and allows you to then log any volunteer

time spent or CE's earned.

- Take the time to familiarize yourself with the site - you can't break it and it will be much easier to use once you've clicked on a few links. You can't get the lay of the land, so to speak, until you explore.

**2024 Hour Requirements: 25 Volunteer Hours / 10 Continuing Education Hours - due October 31, 2024.**

Your volunteer and continuing education hours should be earned participating in county and OSU Extension sponsored activities and continuing education opportunities. The goal is to support our county's projects benefiting the public and to gain OSU Extension-approved, science-based knowledge.

**DON'T DELAY** - start earning hours as soon as you can in 2024! It's always easier to accrue hours when our programming is in partial to full swing than to wait until our programming has wound down and hours are due to try and scramble to find hours to fulfill your requirements.

**BUSY CAREER or HOME LIFE & WANT TO REMAIN AN MGV?** - for those of you working full time, we know work gets crazy, so consider opportunities you can do at home to maintain your status as an MGV:

- Volunteer at Ben Franklin Perennial & Herb Demo Gardens Saturday offerings - stay tuned for dates!
- Participate in Telephone Hotline (task completed from the comfort of your own home).
- Join the Ask a Master Gardener team (questions answered online - also done from the comfort of your own home).
- Become a member of the Tech Team (also from the comfort of your home).
- Assist community gardens by becoming a Community Garden Mentor - mostly you respond to phone calls.
- Be a regular contributor to the MGCC Facebook page.

**Please keep the information shared above for easy access.**

If you have any questions about the information I have shared here, please let me know.

**Thanks for all you do,**  
- Tammy
